

The CoVid Diaries Project Leeds

PLEASE PRINT AND SIGN IF YOU ARE POSTING A DIARY

I am submitting my diary either a drawing, image, photo film or written diary to The CoVid diaries project.

The diary will be stored in the CoVid diaries archive and may be held by one of the partners of the project. The diary may be used in a public exhibition in the coming years to explain to people what this time in our history was like.

Unfortunately we can't return diaries.

If this form is not signed and handed in with the physical diary submission we may not be able to include it in any future exhibition.

I have read and understand the above.

Signed.....

Date.....
